

ComicList: New Comic Book Releases List for 01/30/2013 (1 Week Out)

ComicList: New Comic Book Releases List for Wednesday, January 30, 2013. This work, a list of the comic books, graphic novels, and other products that should be available in your local or online comic book shop next week, is licensed under the Creative Commons Attribution-Noncommercial-Share Alike 3.0 United States License, and is © 1995-2013 Charles S. LePage.

This is the *preliminary* list and is not complete. The complete, and much more accurate, list will be published next week. This information is compiled from a variety of sources including Diamond Distribution and our friends at [Things From Another World](#).

Remember, when you order any of these titles, whether here or at your local comic book shop, NOW instead of waiting closer to the release date, you save money AND you save the time of hunting down the issue after it sells out. To find a local comic book shop, please browse [The Master List of Comic Book & Trading Card Stores](#).

PLEASE NOTE- Not all of these titles will actually arrive in all stores. Let me know if any of the names or numbers are wrong. Items being released this week per sources other than Diamond Distribution are individually noted.

Scroll down for "mature" items on page 2.
